

## CERTIFICATE FOR MERITORIOUS SERVICE – 2019

Dr Kennedy Donald Christian was born in Poona, Maharashtra. After his education at Spicer, he joined Christian Medical College in 1984.

He began his work as a fresh graduate in 1990 in the snowy regions of the Shimla Sanitarium. His experience here inspired him to continue his service with the Mission. He worked in this hospital for two and a half years. He then served in the SDA hospital at Surat, Gujarat for six months.

After his marriage in 1993, he was selected for specialization in pediatrics at the Kasturba Medical College, Manipal. He served thereafter in the SDA hospital in Ranchi from 1997, for a period of five years. His next service was in the heat of Andhra Pradesh, among the mango groves at the Giffard Memorial Hospital, Nuzvid, where he served for another five years. From this hospital he moved to the SDA mission hospital at Ottapalam, where he has completed 12 long years of mission service.

Dr. Kennedy continues not only in his hobbies playing the piano and composing couplets, but also in his passion to share health and religious literature and the truth about his Savior, Jesus Christ, while living a simple Christian life. He is blessed with a wife Jyothi, and two children, Enoch and Esther who are students of this institution.

Christian Medical College Vellore, would like to honor Dr. Kennedy Donald Christian for his 25 years of committed and unwavering service in the various SDA hospitals in areas of need.
